Contributions for the Sufferers.

Five hundred and four dollars and ten cents have so far been donated by people in this city for the benefit of distressed persons in Russia, Jew and Gentile alike. While the Jews seem to have been the special objects of persecution on the part of rioters in the Czar's realms, others not of the house of Israel have been sufferers; hence the money collected will be used for the alleviation of the distress of both. As has been stated, the first of the Alexandria contributions will be sent off tomorrow, while other sums which may be collected will be forwarded as soon as possible. The following persons have so far contributed to this commendable object:

Wedding.

Christ Episcopal Church, Eastville, Northampton county, was the scene of a beautiful wedding at noon yesterday, when Miss Susan Uphur Nottingham became the bride of Rev. Edgar Carpenter of Alexandria. The ceremony was performed by Bishop A. M. Randolph, assisted by Rev. C. A. Thomas, rector of Christ Church, Eastville, and Rev. Mr. Thompson, rector of Grace Church, Norfolk. Miss Annie E. Hopkins, of Onancock, was maid of honor and the bridesmaids were Misses Ethel May Nottingham, Grace Wilson, Blanche Nottingham and Mary N. Fitchett. Rev. Mr. Minor, of Norfolk, was best man, while the ushers were Messrs. Thomas B. Robinson, William Wilkins, Franklin Williams and William H. Westcott. Mrs. C. B. Nottingham, of Onancock, presided at the organ. The bride was handsomely gowned in white lace over white silk and carried a shower bouquet of bride's roses. After the ceremony luncheon was served at the bride's home to over 100 guests. The bride is the daughter of Mr. and Mrs. William W. Nottingham and is one of Northampton's most attractive young ladies. The groom was formerly rector of Eastville and Cape Charles Episcopal churches and is at present rector of Grace Church, this city. After a tour of the northern cities the couple will be at home in this city.

Police Court.

[Justice H. B. Caton presiding.] The following cases were disposed of this morning:

Robert Dewey, colored, arrested by Officer Beach charged with obtaining money under false pretenses, was dismissed.

Gib. Nelson, colored, arrested by Officer Young charged with assaulting George J. Patterson, was dismissed.

Kate Hughes, colored, arrested by Officer Sherwood charged with assaulting and beating Benjamin Hughes, was fined \$5. The latter was also fined \$5 for disorderly conduct and fighting.

Daisy Epperson, arrested by Officer Smith charged with abusive language, forfeited her collateral by failing to appear.

Lewis Carrington and Isaac Napper, both colored, charged with disorderly conduct and fighting, were fined \$5 each.

"Dora Thorne."

Next Friday night will be seen at the Opera House the play of "Dora Thorne," which has been attracting considerable attention on account of the popularity of the novel. "Dora Thorne," as a story, is too well known for comment, but it must be admitted that the playwright has improved upon the plot to such an extent that the play is far more interesting than the book. Dramatic license is somewhat elastic at times to say the least and in the play the most dramatic and exciting points of the book are brought out with decisive action and powerful clearness; nor is the comedy found wanting; much humor is intermingled with the episodes of the drama, making as a whole a play novel and interesting in the extreme. A company of players well suited to their respective roles have been engaged to interpret the well known characters, and a most enjoyable evening's entertainment is promised to all lovers of the best amusements.

Mrs. Elmira Frances Adams died Tuesday at her residence, 801 L Street, northwest Washington. Mrs. Adams was 83 years of age. She was a daughter of the late Mr. and Mrs. Harrison Bradley, of this city. Five children survive her.

Opening of the New Depot.

As has been stated in the Gazette, the new union depot building is now being used by patrons of the different railroads centering at Alexandria. Every convenience for passengers as well as employees of the companies has been anticipated. There is a marked contrast between the present building and those on Fayette and Duke streets, and all persons in the service of the companies naturally appreciate their present surroundings. Mr. William West is the ticket agent of the Washington-Southern road, and Mr. William G. Lebew of the Southern. At night Mr. McDonnell sells tickets for both roads. Mr. L. O. Hardin fills the position of union baggage agent during the day, and is relieved by Mr. R. H. Remington at night. Mr. James Patterson has charge of the baggage transfer department. William Banker, Louis Smith and Ed. Jones are day porters, and Milton Downey and Charles Gray perform similar services at night. John Smith has charge of the heating department. Heretofore some vehicles have been using the east front of the depot. All are now required to go to the west side to which good roads have been constructed.

Funeral.

The funeral of Frank M. De Lane, who was struck and killed by a train near Brickhaven, Alexandria county, last Saturday night, took place this morning from St. Mary's Church in this city, this morning, and was attended by relatives and friends. The services were conducted by Rev. Father Cutler. It is believed by some people that the unfortunate man met with foul play. It is said that De Lane had a gold watch and about \$200 on his person when he left home Saturday night to attend a theatrical performance in Washington, and that only two street car tickets and a few pennies were found in the pockets of his clothing when his mangled body was found. The coroner's jury will reassemble at the courthouse, at Fort Myer Heights, Friday afternoon and resume the investigation.

"Real Widow Brown."

The production of the "Real Widow Brown" at the Opera House last night, to a good-sized audience, was decidedly the hit of the season, the company presenting the piece being an exceptionally good one. The comedy was extremely funny and kept the audience in a roar of laughter from start to finish. The musical numbers were up-to-date and were well rendered, while the dancing was above the average. The specialties by Miss Minnie Daly, the Brownies, Charles Barrington and Oscar Braddock were excellent and were heartily applauded. Taken all in all, the "Real Widow Brown" was a decided success and well worth seeing. The manager's guarantee was fully backed up by an excellent show.

Fire Company Meeting.

The monthly meeting of the Reliance Fire Company was held last night with Mr. F. D. Pollard in the chair. Three applications for membership were received and two applicants were elected. A resolution was introduced and laid over to allow only active members of the company to vote.

Backford recently appointed a committee by the Alexandria Alumni Association of the University of Virginia to invite Dr. Alderman of the University to deliver an address in this city, have received a letter from Dr. Alderman in which he states that his engagements are such as to prevent his visiting Alexandria before April next; after that date he says he will be pleased to accept the invitation of the Alexandria Alumni.

The managers of the new ferry line between this city and Washington are still having trouble with logs that have been imbedded for years in the bottom of the dock in which the slip was built in Washington, and which are now being washed up from their bed in the mud by the eddies caused by the big propeller wheel of the steamer Woodbury. Over fifty big logs have been taken from the slip.

S. Webster & Co., Udon, Ontario, Canada. For sale by Gibson & Timberman and W. F. Creighton & Co.

Lecture at the Seminary.

Mr. Silas McBee, editor of the New York Churchman, will deliver a lecture on Church Architecture at the Episcopal Seminary near this city tomorrow (Thursday) evening at 8 o'clock. The lecture promises to be of great interest, it will be illustrated by fine stereoscopic views. Mr. McBee has generously given this lecture to the Seminary and all friends in Alexandria are cordially invited to attend. He had been elected to deliver a course of Reinecker Lectures on this subject but owing to his numerous engagements was unable to do so. The first course of Reinecker Lectures at the Seminary for this season will be delivered by the Rev. R. H. McKim, D. D., of the Church of the Epiphany, Washington, D. C., on Monday, Tuesday and Wednesday, December 11, 12 and 13 next. The subject of the course is The Higher Criticism of the Old Testament. Bishop Randolph preached an eloquent and interesting sermon at the Seminary Chapel last Sunday morning.

Colored Boy Shot.

Benj. Tebbis, an eighteen-year-old boy, son of Fred Tebbis, colored, intentionally or accidentally shot himself with a pistol at his home, No. 818 Duke street, about noon today. The mother of the boy Mary L. Tebbis, a dressmaker, ran to Mr. C. J. W. Summers' drug store in search of assistance, and the latter went to the house where he found the boy suffering intensely and his clothes burning. He had been shot in the left breast over the heart. The injured youth was subsequently sent to the Alexandria Hospital where he was attended by Dr. W. M. Smith. No one seemed to know at first whether the boy shot himself accidentally or intentionally, but when he reached the hospital he stated that he had accidentally shot himself while examining the pistol. His injury is of a serious nature.

Dances.

The Troop Club gave its first dance of the season at McBurney's Hall last night. This is a club just organized by a few of the pleasure-loving young men of this city, and was one of the most successful ever attempted. The dance of last night was well attended. The company subsequently repaired to the New Hotel Rammel where they participated in a seasonable collation. About 80 were present. The committee was composed of Messrs. DeW. H. Milstead, E. F. Ticer and L. L. Ferguson.

The first grand ball of the season by the Up-to-Date Club was given at Schuler's Hall last night and was largely attended. Mr. E. E. Parker acted as chairman of the committee of arrangements and the music was by Cleveland's Alexandria county orchestra.

After Mr. Machen's departure the board went into executive session and after due consideration decided not to reopen Mr. Allen's case.

Gray, of Calhoun, Ga., writes: "My life had a very aggravated cough, which kept her awake nights. I took Dr. King's Cough Syrup, and it cured me. I was cured of my cough, and I was cured of my cough, and I was cured of my cough."

No Permanent World Union.

The plans submitted by the American delegates at the International Parliamentary Congress recently held at Brussels for a permanent international parliament and a general arbitration treaty, have been rejected by the committees of the various parliaments in session in Paris. It is the unanimous conclusion of the committee that the plan was premature in the present state of the world, but it added that the International Parliamentary Union can prepare the way for such a measure.

The plan for a permanent council of nations and the French project for an international ministry of State were favorably considered, but action was deferred for a month.
